A546 Deshiya Chikitsa (Indigenous Medicine) II	21

Continuous Assessments of the First Year BAMS

A115 Padartha Vignana (Ontology)

Semester I

Mode of examination: Multiple Choice Questions (MCQ)

Guidelines for the Multiple-Choice Questions (MCQ)

- Scope of Questions: Students will be assessed on knowledge and skills relevant to the respective semester.
- Number of Questions: The paper consists of 20 Multiple Choice Questions.
- Duration: The total duration of the MCQ paper will be 30 minutes (½ hour).
- Mark Allocation: The total marks allocated for the MCQ paper will be 20.

Semester II

Mode of examination: OSPE – 10 stations (60 minutes)

Guidelines for the Objective Structured Practical Examinations (OSPE)

- Scope of Questions: Students will be assessed on practical contents relevant to the respective semester
- Number of Stations: Each student will face 10 OSPE stations during the examination
- Duration: The total duration of the OSPE will be 60 minutes (01 hour), with 06 minutes allocated per station
- Mark Allocation: The total marks allocated for the OSPE will be 20

A125 Ayurveda Itihasa and Vaidya Achara Dharma (History of Ayurveda and Medical ethics)

Semester I

Mode of examination: Multiple Choice Questions (MCQ)

Guidelines for the Multiple-Choice Questions (MCQ)

- Scope of Questions: Students will be assessed on knowledge and skills relevant to the respective semester.
- Number of Questions: The paper consists of 20 Multiple Choice Questions.
- Duration: The total duration of the MCQ paper will be 30 minutes (½ hour).
- Mark Allocation: The total marks allocated for the MCQ paper will be 20.

Semester II

Mode of examination: Group Presentation

Criteria	What is expected from the work	Marks
Attendance	Active Participation during the Field Visit	3
Group Presentation		7
Content Knowledge	Accurate, relevant, in-depth coverage of topic and clear transmission of knowledge	1
	Creativity	1
Organization & Structure	Logical Sequence of Presentation - Clear introduction, body, and conclusion	1
Slide Design	Clear, well-designed slides adhered to the general presentation guidelines given	1

Usage of Visual aids	Uses first-hand experience visuals enhancing the topic	1
Time Management	Adhere to the time limit	1
Overall Presentation	Clear, Confident, Engagement with audience	1
Individual Summary Report		10
Language, Structure & Organization	Word Limit Adherence (1500-2000 for Chapter 1 - Introduction, Chapter 2 – Body & Chapter 3 - Conclusion) and Clear, logical structure with excellent flow between sections and Adherence to General guidelines provided for the assignment	1
Content	Thorough coverage and Clarity of Content	1
	Highly Relevant content to the topic.	1
	Usage of relevant first-hand experience images	1
Introduction & Conclusion	Strong and engaging introduction	1
	Conclusion that supports purpose	1
Use of Evidence & Referencing	Use of credible sources properly cited and referenced (APA style).	1
Novelty & Creativity	Demonstrates novelty and creative approach to the topic.	2
Submission of Assignment	Submits on or before Deadline	1
Total Marks		20

A134 Sanskrit I

Semester I

Mode of examination: SEQ - 4 Questions

Guidelines for the Structured Essay Questions (SEQ)

- Scope of Questions: Students will be assessed on knowledge and skills relevant to the respective semester.
- Number of Questions: The paper consists of 04 Structured Essay Questions.
- Duration: The total duration of the SEQ paper will be 60 minutes (01 hour).
- Mark Allocation: The total marks allocated for the SEQ paper will be 20.

Semester II

Mode of examination: SEQ - 4 Questions

Guidelines for the Structured Essay Questions (SEQ)

- Scope of Questions: Students will be assessed on knowledge and skills relevant to the respective semester.
- Number of Questions: The paper consists of 04 Structured Essay Questions.
- Duration: The total duration of the SEQ paper will be 60 minutes (01 hour).
- Mark Allocation: The total marks allocated for the SEQ paper will be 20.

A145 Maulika Siddhanta and Samhita (Basic Principles and Authentic texts) I**Semester: I****Mode of examination: Assignment**

Criteria	What is expected from the work	Marks
Language, Structure & Organization	Word Limit Adherence (2000-2500). (Chapter 1 - Introduction, Chapter 2 – Body, Chapter 3 - Conclusion)	1
	Clear, logical structure with excellent flow between sections and adherence to general guidelines provided for the assignment	1
Content	Development of topic in the given area for the assignment	2
	Thorough coverage of topic	2
	Highly Relevant content to the topic	2
	Clarity of Content	2
Introduction & Conclusion	Strong and engaging introduction	2
	Conclusion that supports purpose	2
Use of Evidence & Referencing	Use of credible sources properly cited and referenced (APA style)	2
Novelty & Creativity	Demonstrates novelty and creative approach to the topic	2
Submission of Assignment	Submits on or before Deadline – on 8 th to 12 th week of the semester. One assignment to be marked by two examiners.	2
Total Marks		20

Semester: II**Mode of examination: OSPE (10 station)****Guidelines for the Objective Structured Practical Examinations (OSPE)**

- Scope of Questions: Students will be assessed on practical contents relevant to the respective semester
- Number of Stations: Each student will face 10 OSPE stations during the examination
- Duration: The total duration of the OSPE will be 60 minutes (01 hour), with 06 minutes allocated per station
- Mark Allocation: The total marks allocated for the OSPE will be 20

A156 Shareera Rachana (Anatomy) I

Semester: I

Mode of examination: OSPE 10 Stations

Guidelines for the Objective Structured Practical Examinations (OSPE)

Semester: I

Mode of examination: OSPE 10 Stations

Guidelines for the Objective Structured Practical Examinations (OSPE)

- Scope of Questions: Students will be assessed on practical contents relevant to the respective semester
- Number of Stations: Each student will face 10 OSPE stations during the examination
- Duration: The total duration of the OSPE will be 60 minutes (01 hour), with 06 minutes allocated per station
- Mark Allocation: The total marks allocated for the OSPE will be 20

Semester: II

Mode of examination: Portfolio based on practical and community engagements

Portfolio entries	Marks
Case Record – 01 (Non-communicable disease/Infectious disease/Maternal nutrition and health/Child nutrition and health)	05
Community engagement – 01 report (School Health Programme/Health education programme/Participate in	05

observance of national/international days related to health/Medical camp)	
Field visits – 01 report	05
Proficiency in performing Yoga	05
Total Marks	20

A335 Agada Tantra (Ayurveda Toxicology)

Semester: I

Mode of examination: OSPE 10 Stations

Guidelines for the Objective Structured Practical Examinations (OSPE)

- Scope of Questions: Students will be assessed on practical contents relevant to the respective semester
- Number of Stations: Each student will face 10 OSPE stations during the examination
- Duration: The total duration of the OSPE will be 60 minutes (01 hour), with 06 minutes allocated per station
- Mark Allocation: The total marks allocated for the OSPE will be 20

Semester: II

Mode of examination: Assignment

Criteria	What is expected from the work	Marks
Language, Structure & Organization	Word Limit Adherence (2000-2500). (Chapter 1 - Introduction, Chapter 2 – Body, Chapter 3 - Conclusion)	1
	Clear, logical structure with excellent flow between sections and adherence to general guidelines provided for the assignment	1
Content	Development of topic in the given area for the assignment	2
	Thorough coverage of topic	2
	Highly Relevant content to the topic	2
	Clarity of Content	2
Introduction & Conclusion	Strong and engaging introduction	2
	Conclusion that supports purpose	2
Use of Evidence & Referencing	Use of credible sources properly cited and referenced (APA style)	2
Novelty & Creativity	Demonstrates novelty and creative approach to the topic	2
Submission of Assignment	Submits on or before Deadline – on 8 th to 12 th week of the semester. One assignment to be marked by two examiners.	2
Total Marks		20

A346 Nidana Muladharm (Fundamentals of Diagnosis)

Semester: I

Mode of examination: OSPE 10 Stations

Guidelines for the Objective Structured Practical Examinations (OSPE)

- Scope of Questions: Students will be assessed on practical contents relevant to the respective semester
- Number of Stations: Each student will face 10 OSPE stations during the examination
- Duration: The total duration of the OSPE will be 60 minutes (01 hour), with 06 minutes allocated per station
- Mark Allocation: The total marks allocated for the OSPE will be 20

Semester: II

Mode of examination: Portfolio including 10 case-based studies

	Mark each case study	Total Marks
Ten case studies formatted according to the standardized template	01	10
Case summary	0.5	5
Portfolio based viva		5

- Students should be divided in equal numbers to all academic members of the department.
- Ten cases should be allocated to each student during the academic semester.
- Two-member panel for evaluation with stipulated time and allocate 20 marks.
- Each student will be evaluated by assessing one case study.

A357 Chikitsa Muladharm and Panchakarma (Fundamentals of Therapeutics and Panchakarma)

Semester: I

Mode of examination: OSPE 10 Stations

Guidelines for the Objective Structured Practical Examinations (OSPE)

- Scope of Questions: Students will be assessed on practical contents relevant to the respective semester
- Number of Stations: Each student will face 10 OSPE stations during the examination
- Duration: The total duration of the OSPE will be 60 minutes (01 hour), with 06 minutes allocated per station
- Mark Allocation: The total marks allocated for the OSPE will be 20

Semester: II

Mode of examination: Portfolio including 10 case-based studies

	Mark each case study	Total Marks
Ten case studies formatted according to the standardized template	01	10
Case summary	0.5	5
Portfolio based viva		5

- Students should be divided in equal numbers to all academic members of the department.
- Ten cases should be allocated to each student during the academic semester.

- Two-member panel for evaluation with stipulated time and allocate 20 marks.
- Each student will be evaluated by assessing one case study.

A365 Pathology

Semester: I

Mode of examination: OSPE 10 Stations

Guidelines for the Objective Structured Practical Examinations (OSPE)

- Scope of Questions: Students will be assessed on practical contents relevant to the respective semester
- Number of Stations: Each student will face 10 OSPE stations during the examination
- Duration: The total duration of the OSPE will be 60 minutes (01 hour), with 06 minutes allocated per station
- Mark Allocation: The total marks allocated for the OSPE will be 20

Semester: II

Mode of examination: OSPE 10 Stations

Guidelines for the Objective Structured Practical Examinations (OSPE)

- Scope of Questions: Students will be assessed on practical contents relevant to the respective semester
- Number of Stations: Each student will face 10 OSPE stations during the examination
- Duration: The total duration of the OSPE will be 60 minutes (01 hour), with 06 minutes allocated per station
- Mark Allocation: The total marks allocated for the OSPE will be 20

A373 Research Methodology and Medical Statistics

Semester I

Mode of examination: SEQ - 4 Questions

Guidelines for the Structured Essay Questions (SEQ)

- Scope of Questions: Students will be assessed on knowledge and skills relevant to the respective semester.
- Number of Questions: The paper consists of 04 Structured Essay Questions.
- Duration: The total duration of the SEQ paper will be 60 minutes (01 hour).
- Mark Allocation: The total marks allocated for the SEQ paper will be 20.

Semester: II

Mode of examination: Assignment

Criteria	What is expected from the work	Marks
